Fisheries Entrepreneurship Training

3.1.2022

Through our organization, we have created incentive self-employment opportunities for Adithravidar unemployed poor youth in the aquaculture and fisheries sector and through the Adithravidar Unemployed Poor Youth Training Centers to increase their income and help them start their own business. Incentives were also given to the participants

during the training. This will help educated youth and young women to become self-employed. They themselves thanked us that it was so useful to them.

Covid Relief

31.01.2022

Today we gave 5 kg of rice per 100 families to the families of the poor laborers who survive in the brick kiln in and around Kumalam. We also provided mouthwash to poor students attending school. They enjoyed saying that it was very useful for them.

Women's day celebration

6.3.2022

World Women's Day was celebrated on 06.03.2022 on behalf of our organization. Its leader explained that women should have access to social security, freedom and equality at the event. In addition, women expressed their views that all women face many problems in the workplace and in the study, especially in families. They also

said that women should work in all fields and express their talents without being in a narrow circle as in the old days. All the women who followed were given sarees. Eventually the dessert was served. All the women who attended went on to say that the festival has created a great awareness for women.

Medical Assistance

30.4.2022

34 year old Stella Mary is receiving medical treatment due to ill health. This woman living below the poverty line has a problem with her uterus. The presence of a tumor in the uterus that has to be surgically removed has been revealed to be a surgical removal of it from the uterus. Because of this she has sought the help of our organization PPDS.

Our organization called PPDS recognizes the need for her medical treatment and assists the surgeon by providing financial assistance. She truly thanks the PPDS organization for the financial support she has received and for helping to stay healthy forever.
